8. Accreditation and control

These operations will be effected on 20-9-2019 (all the day) by the representatives of the USIP and the organizing committee at the championship Hotel Da Vinci.

9. Eligibility to start

The provisions laid down in the Statutes, the Rules and Regulations, the Competition Rules as well as the Anti-Doping Regulations of the USIP shall apply.

Article 23 USIP Statutes:

The Competitors

1. Participation in championships is restricted to athletes, who:
 - a. meet the starting requirements of their international union
 - b. belong to a national sports organization that is a member of the USIP
 - c. are police officers or students of a public police academy, and have reach the age of 18 at the time of the championships (including preliminary rounds)
 - d. and have signed the Anti-Doping Declaration.

2. The Rules and Regulations of the USIP specify the conditions for participation in competitions.

Article R 10 /2:

Competitors

1. In order to be able to take part in world championships organised by USIP, members of the member unions have to fulfil the following conditions:
 - a. fulfilment of the provisions set out in Article 23 of the Statutes;
 - b. status of police officers or students of a public police academy. The police shall be a number of bodies and institutions in charge of maintaining public law and order (administrative police and crime investigation departments).
2. Military police, members of the military, members of fire brigades and civil servants, not belonging to the police, shall be excluded from world police championships.

Sub-paragraph 1.5 of the USIP Competition Rules

1.5. Participation in the championships or games is restricted to athletes who:

- meet the starting requirements prepared by their respective international sports association,
- are members of a national police sports association that is a member of USIP,
- are police officers or students at public police academy and have reached the age of 18 at the time the championship takes place.

For verification of a person's eligibility, the presentation of the relevant documents may be required (verified copy). In case the subject matter documents are not delivered, the permission to start needs to be refused.

1.6. Sportsmen and women that participated in the military championships are not eligible to enter World Police Championships and World Games of Police Schools for 12 months following such military championships.

1.7. Competitors suspended from the sport contests by the respective sport association due to violation of the relevant doping regulations are not eligible to enter the competitions.

1.8. All teams shall wear uniform sportswear displaying the emblems of their individual member union.

10. Verification of eligibility to enter

- For verifying a contestant's eligibility to start, the production of his/her police ID, his/her passport/personal identity card as well the signed Anti-Doping-Declaration will be required.
- All participating countries have to bring the USIP Declaration of Participation for each athlete who will participate, signed by the respective President or Secretary General.
- The verification of eligibility will be effected by the representative of the USIP Technical Commission and a representative of the Organizing Committee.

11. Anti-Doping

Doping tests (urine and/or blood) will be conducted during the Championship, with the current WADA list of prohibited substances being applicable. (www.wada-ama.org).

Every Competitor must sign the USIP Anti-Doping-Declaration and hand it over to the USIP Technical Delegate and/ or the organization at the accreditation.

12. Referees

The organizing committee may enter as many referees as required for the good realisation of the USIP World Police Games.

13. Expenses/fees

- **13.1 Travelling expenses**

Each member union will defray its own travelling expenses.

- **13.2 Board and lodging**

- **Delegate**

The expenses of board and lodging for the delegation leader (Article R 16.1 of the USIP Rules and Regulations) of the respective member union will be paid by the organiser.

- **Team / Individuals**

For all participants **50,00 Euro** per person per night are to be paid to the organizer (Article R 12/3 of the USIP Rules and Regulations).

Board and lodging fee and participation/entry fee has to be paid in cash to the organizer on location at the championship hotel.

- **Guests**

Should a member union intend to take guests with them to the Championship and should the organiser be able to provide the respective accommodation, each guest shall pay the actual costs charged by the organiser.

Participation will be refused to a member organisation having failed to meet the payment obligation of the entry/board and lodging fee.

- **USIP Registration fee**

Article R 12/2 of the USIP Rules and Regulations:

Prior to a championship each participating nation has to pay a registration fee to the General Treasurer of the USIP.

This fee has to be paid before the opening of the World Championship.

Each start single: **50,00 EURO per individual athlete**

Each start team: **200,00 EURO per Team**

The total amount of the registration fee should be paid in cash to the USIP General Treasurer / or his representative in Milan at the beginning of the USIP World Police Games. An invoice will be established after paying the registration fee .

Participation will be refused to a member organisation having failed to meet the payment obligation of the USIP Registration fee.

14. VISA

- **The organizer ASPMI shall issue visas for all participants who need visa to entry into Italy.**

6. Skeet/Trap

RACE AT 125 PLATES + FINAL (ISSF formula)

RIFLE CALIBER

During the competition it will not be possible to use a caliber different from the declared one.

DRAW

By 18.00 PM on the evening before the competition, a shoot will be drawn up to determine the firing order among the shooters who will have regularized the registration.

RULES OF CONDUCT RACE

The starting time of the competition will be announced the previous evening, with the draw drawn, and will be established by the Coordinator taking into account the number of participants.

QUALIFICATIONS

Will be performed on the distance of 125 plates for all.

FINALISTS:

At the end of the qualifications, starting from "Zero", the first 6 shooters (in case of parity, an ISSF shoot-off must be carried out), plus a possible play-off, only in case of a tie, to determine the first and second place in the standings .

The ranking of the first six will not be given on the basis of the last series or zero in the series but, with the same score, will be determined by the playoff.

SHOOT-OFF

The play-off starts among the highest scores in the standings.

the athletes who must perform the Shoot-off, must position themselves, in order of classification, behind the platform 1 and shoot a regular plate, in the following indicated: from the platform 1 a left plate, from the platform 2 a right plate, from the platform 3 a left, from the platform 4 a right-hand plate, from the platform 5 a left-hand plate and so on alternately, until the parity breaks.

FINAL

The finalists will occupy the 1 - 2- 3 - 4 - 5 and 6 pegs depending on the number of their assigned pitch, as per the position obtained in qualifying or after the playoff. The shooter with the lowest backbone number (1) will start first from the platform 1. The remaining shooters will position themselves on the subsequent firing platforms on the basis of the numbers assigned to them and will shoot all of them to 25 targets.

At the end of the 25 plates, the 6th classified will be eliminated. In the event of an injury the shooter entered in the final with the highest backbone number will be eliminated.

The five remaining athletes will shoot at 5 other targets:

At the end of the 30 plates, the 5th classified will be eliminated. In the event of a tie, the shooter entered in the final with the highest backbone will be eliminated.

The remaining four athletes will shoot at 5 other targets.

At the end of the 35 plates, the 4th classified will be eliminated. In the event of a tie, the shooter entered in the final with the highest backbone will be eliminated.

The remaining three athletes will shoot at five other targets.

At the end of the 40 plates, the 3rd classified will have won the bronze medal. In the event of a tie, the shooter entered in the final with the highest backbone will be eliminated.

N.B.- The sequence of each passage of 5 plates will be: 2 left - 2 right and a central with random mode.

The remaining two athletes will shoot at 10 other targets.

At the end of the 50 plates, the gold and silver medals will be awarded.

In case of parity, you must proceed immediately to a shoot-off, according to the procedure indicated above.

N.B. - The sequence of 10 plates will be: 4 left - 4 right and 2 central with random mode.

At the end of each elimination series, the athletes will continue to occupy the initial position.

TRAP MIXED TEAM

TEAM

Every Country will be able to participate with 2 mixed Team – 1 man and 1 woman . The Teams must be declared during the Technical Meeting and will be not possible change. The best 6 Teams - composed of the final classification of the men's and women's competitions – will play the final series.

RIFLE CALIBER

at the time of enrollment, each shooter must declare by means of which caliber he intends to contest the competition and during the course it will not be possible to use a different one from the one previously declared.

FINAL

At the end of the qualifiers of the men and women single race, starting from "Zero", the first 6 shooters (in the event of an injury will have an ISSF shoot-off), will perform a final, 30 smoke bombs (15 plates), as follows:

the finalists, will occupy the 1 - 2 - 3 - 4 - 5 and 6 foot pegs depending on the number of shooting assigned to them, as per the position obtained in qualifying. The shooter with the lowest backbone number (1) will start first from the platform 1. The remaining shooters will position themselves on the subsequent firing platforms on the basis of the numbers assigned to them. At the end of the 15 doublets, the 6th classified will be eliminated. In the event of a tie, the shooter entered in the final will be eliminated with the lowest score (highest backbone).

The five remaining athletes will shoot five more doublets:

At the end of the 5 doubles, the 5th classified will be eliminated. In the event of a tie, the shooter entered in the final will be eliminated with the lowest score (highest backbone).

The 4 remaining athletes will shoot at another 5 doubles.

At the end of the 5 doublets, the 4th classified will be eliminated. In the event of a tie, the shooter entered in the final will be eliminated with the lowest score (highest backbone).

The remaining three athletes will shoot five more doublets.

At the end of the 5 doubles, the 3rd classified will have won the bronze medal. In the event of a tie, the shooter entered in the final will be eliminated with the lowest score (highest backbone).

The sequences of the 5 doubles will be: 2 doubles scheme A - 2 doubles scheme B) and 1 doublet scheme c) with random mode.

The 2 remaining athletes will shoot at another 10 doublets.

At the end of the 10 doublets, podiums for gold and silver medals will be awarded.

In case of parity, you must proceed immediately to a shoot-off.

The sequences of the 10 doubles will be: 4 doubles scheme A - 4 doubles scheme B) and 2

doubles scheme C) with random mode.

At the end of each elimination series, the athletes will return to occupy the initial position.

SHOOT-OFF

the athletes who will have to perform the Shoot-off, with the scheme C) must position themselves, in order of backbone (assigned to the six finalists), behind the platform 1 and shoot a regular doublet, if necessary, the shoot-off will continue, in sequence, from the platforms 2,3,4,5, up to the break of the parity.

7 . Cycling

Route

This race is organized inside of the Granfondo Bike Division and takes advantages of the full patronage and support of the City of Peschiera del Garda (VR), a town placed on Lake Garda – Veneto - that wants to invest on amateur cycling movement to promote sustainable mobility. Peschiera del Garda will provide all facilities: parking, places for the secretariat of the event, such as the delivery of the credits and race packet, and of course a unique location for the Expo area that will take place in the historical city centre. A great chance to discover territory full of culture, nature and fun.

Road traffic is closed. Anyway please respect and observe the Highway Code.

Start

The start of the race will be organized in grids – in the last edition there was 2.500 participants – for different level of participants.

The all participants at the Championship will be positioned in the first grid – men and women together – with a different colour number.

Timing

The timing service will be provided by SMS, the official distributor of the brand Winning Time. Each athlete will be provided with his own Winning Time Chip for ranking. It will be possible to use only the "Personal Winning Time Chip regularly "ACTIVATED" for the current season, or the

Daily Chip valid only for the event provided by our organization for all the athletes devoid. All other chips will not be working.

Technical supporting

Technical assistance will be organized during the race with special motorcycles who will have wheels and technical specialist. Will be present few fixed technical point in the route. Is not permitted on the route cars of the Countries participants.

The organization provides SAG vehicle for participants who need support and assistance along the way; cyclists have to wait for the vehicle when in need to get out of the route and reach the finish area.

Although not specified in the present, the technical regulations of UCI will be applied.

Article 12 Results

1-The results of each game shall be determined in accordance with the international laws of the game.

2-Results shall be handed over to Results and Statistics Committee following approval from Referees Committee and Technical Committee.

Article 13 Laws and Regulations of the Games

1-The international laws of the games shall apply.

2-USIP rules and regulations shall apply.

3-The games shall be managed by ASPMI associations under the supervision of relevant international associations.

Article 14 Anti-doping

Tests International and Olympic laws, as per procedures and conditions, together with relevant penalties and sanctions shall apply to all participants.

Article 15 Costumes/Dress code

1-Applicable swimming, Jiu-jitsu and Judo laws and rules shall apply.

2-Police uniform of the participating country shall be worn. IPSC rules on clothing shall apply.

Article 16 Visas and Entry Permits to Italy

1-ASPMI shall issue visas for all participants.

2-The participation of delegation members shall be approved after the security clearance for visa issuance purposes is obtained from the host country's competent security services (an issue beyond the mandate of the Organizing Committee) as per the laws of host country.

3-Obtaining the security permits for shipping guns across countries and airports shall be the responsibility of the participating countries.

Article 17 Referees and Refereeing

1-The championship events shall be over seen by international referees approved by Italian Swimming Federation, Italian Jiu-jitsu Federation, Italian Judo Federation and Italian Track and Field Federation.

2-For IPSC practical shooting, the main referees shall be seconded from USIP. Other referees shall be from Italian Shooting Association.

4-The international laws and rules of the games shall apply.
